LYTTON COBBOLD FAMILY NEWS

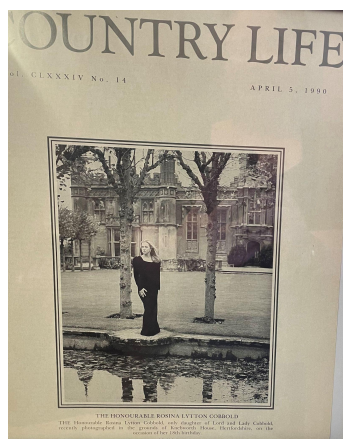

July 2021

Back in November we reported that **Morwenna Lytton Cobbold** #672 had announced her engagement to be married. Morwenna is a former model and now a fashion and beauty film producer. On 9th June this year she was featured as the frontispiece in Country Life magazine. The caption observed that in doing so she was following in the footsteps of her aunt, **Rosina Lytton Cobbold** #665 who appeared on 5th April 1990; her great grandparents, **Cameron Cobbold** #490 and **Hermione Lytton** #491 whose engagement picture appeared on 25th January 1930 and her great great, grandmother, **Pamela Chichele-Plowden** #2299 and her son who were featured on 11th June 1904.

This last photograph includes **Antony Lytton** #2300 aged 1 who was tragically killed in a flying accident whilst on duty in 1933, as a result of which his younger sister Hermione inherited Knebworth.
