BRADFIELD St GEORGE MILL 1906

February 2015

Oil Paintings in Public Ownership – Suffolk lists this painting as being by Cobbold H C, said to have been a worker at the mill. It is shown as being at the Museum of East Anglian Life in Stowmarket.

Suffolk Painters website shows the same painting attributed to Hugh Charles Cobbold (1908-1966) #411 on the family tree. As the picture is dated two years before Hugh was born either the date or the attribution is wrong.

Can anyone help please?
