REDWOOD APPEAL FOR IPSWICH ARBORETUM

April 2015

We reported last month that the trust is supporting the Redwood Appeal. Things have moved at a good pace and we are pleased to announce that The Cobbold Family History Trust Coast Redwood has been planted in the Lower Arboretum. It is in a fine location beside two mature Coast Redwoods which will have been planted when the Lower Arboretum was still a private subscription garden much frequented by our ancestors.

The picture shows our tree, and the trunks of the two mature Redwoods are just visible in the background to the left.
