ISABEL'S BERRY

May 2014

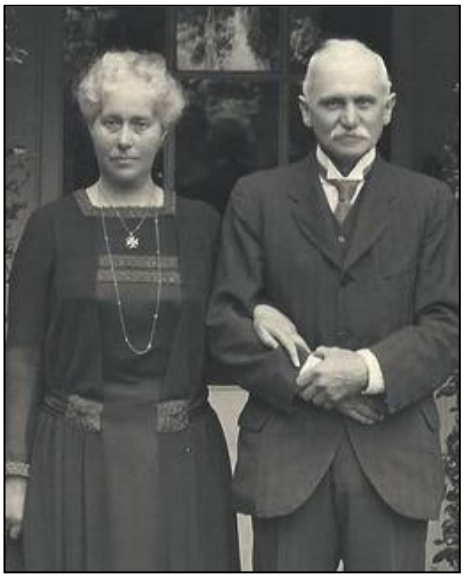

As a tribute to Isabel Chevallier née Cobbold (#208 on the family tree) Aspall has decided to name its latest new Cyder brand

Isabel's Berry

Isabel's Berry is a light refreshing drink (3.8% by vol.) which includes redcurrant and raspberry juices. It is perfect with fruits, salads, crumbles and summer puddings.

Isabel Amy Cobbold married John Barrington (JB) Trapnell Chevallier at Whitton Church, Ipswich in September 1897. JB was himself a most successful man who won the heart of a warm and generous person. Isabel, born and bred in Suffolk was deeply proud of her county and loved nothing better than tending her plants in the walled garden at Aspall Hall.

She was a great hostess and welcomed everyone into her home. It seems fitting that she should be commemorated by a drink that sits happily at the centre of entertaining and hospitality.
