Regular readers will know of the Trust's admiration of **Emma Roodhouse** (Collections & Learning Curator Art) of Colchester and Ipswich Museums Service. See our Cobbweb, [Cloth to Canvas](#), from April this year. We were privileged to receive from her this 'behind the scenes' picture of her – centre front – and her team, having just completed the hanging.

We wish the exhibition, which runs until 4th October, every possible success and thank you Emma.
